FOR IMMEDIATE RELEASE

**MILWAUKEE, WI** (July 15, 2019)—The United States Navy's flight demonstration squadron the Blue Angels will headline the 2020 Milwaukee Air & Water Show, First Station Media, the 2019 Airshow's Official Branding Partner, announced Wednesday.

"It is my pleasure to announce that the 2020 Milwaukee Air & Water Show will feature the U.S. Navy's Blue Angels. We are thrilled to welcome the Blues back to Milwaukee in 2020, after nearly a decade," said Paul Rogers, Founder & President of the Milwaukee Air and Water Show. "We're excited at the prospect of what the Air & Water Show will bring to Milwaukee's festival season this year with the Thunderbirds and beyond," said Lena Levy, Creative Director & Owner of First Station Media. "With such an impressive headliner already secured for next year's show, 2019 and 2020 are poised to be two unforgettable years in Milwaukee Air & Water Show history," Levy added.

Entertaining audiences since 1946, the Blue Angels are the second oldest formal flying aerobatic team and have performed for more than 500 million spectators in their 73-year history. The demonstration team is composed of 6 skilled pilots flying Boeing FA-18 Hornets in a variety of formations and ranging in speeds from 120 mph to 700 mph, which is just under Mach 1.

This summer's show, featuring the Air Force's Thunderbirds the weekend of July 27th - 28th, is expected to attract record crowds; attendees are encouraged to purchase tickets early to avoid delays on the days of the show: <https://mkeairwatershow.com/tickets>.

Sponsorship opportunities at every price point are also available. Media mentions by the Milwaukee Business Journal and exposure to First Station Media's online following guarantee sponsorships will deliver on brand exposure to a broad and valuable audience.
